Food and drinks

There are several restaurants at the Zoo where you can buy a wide selection of food and drinks.

We emphasize good craftsmanship, ethics and morals and we choose quality foods a little better than what you normally experience. We offer modern quality fast food, sandwiches, salads, desserts, daily specials, lunch dishes and open sandwiches in a varied assortment to Aalborg Zoo's guests during opening hours.

Tables and benches can be found around the zoo where own food may be eaten. Several of these places are roofed.

Barbecues have also been placed around the zoo. These are available for grilling food brought from home. The barbecues will be turned off approx. 1 hour before closing time.
